Gwernan , Harlech, LL46 2PY

Gwernan is a property with style and personality! Rarely does such a well presented property come onto the market but this former carriage house is the definition of a chic family home with versatility and pizzazz! It has been completely renovated to the highest standards throughout, including luxurious new kitchen and bathrooms, entrance porch, electric car charging point, wooden window shutters and external landscaping. All upgrades have been done sympathetically and combine the original early 1900's character with all necessities for modern life. Just 10 minutes walk from the beach down a private road, it is light and spacious, with good sized rooms, ample storage and flexible living spaces. Often said, but never more truly meant, viewing is a must!

The property is located in Lower Harlech. Harlech boasts a magnificent cliff top castle and cultural centre, together with numerous artisan shops, cafes and restaurants. Harlech's pretty stone houses and shops along the high street offer a unique opportunity to live in an Area of Outstanding Natural Beauty in Snowdonia National Park. The Cambrian Coastline railway provides excellent links to nearby towns including Porthmadog and Barmouth with regular services to the Midlands and beyond.
