Croeso i Groes Newydd - a rare opportunity to purchase two properties, both successful holiday retreats, within the Snowdonia National Park.

Groes Newydd is a large detached, stone-built cottage offering any new purchaser flexibility and potential. One property is a two-bedroom cottage which successfully combines traditional charm with modern living, whilst the latter is a one-bedroom mirroring the quality styling and character. Both properties benefit from the countryside garden in which to sit and soak up the idyllic, peaceful location and far-reaching views. Fancy a project? Then both properties could be made into one and become a fantastic and most enviable place to live.

Groes Newydd is located in Llandecwyn, approximately 2 miles from the village of Talsarnau, which has a public house, primary school and railway station. Step outside the property and walk in any direction and you will discover the revitalising tonic of rural living. Mountain walks are breath taking in every sense and the calm of the estuary is only moments away. Minutes from the property is land designated as a "Site of Special Scientific Interest" proving to be a bird watchers paradise and the Welsh coastal path can be picked up nearby. Indeed, the surrounding area is a delight, appealing to those who wish to leave behind the hustle and bustle, whilst being only moments away from nearby Harlech, boasting a cliff top Castle and championship Golf course and the harbour town of Porthmadog.
