Immaculately presented dream 5-bedroom family home. 21 Warwick Road is a sophisticated and beautifully laid out detached home that offers around 2500 sq ft of accommodation over three spacious floors. This property perfectly combines modern family living with a luxury finish and effortless flow between indoor and outdoor living spaces.

Accommodation Overview

A spacious entrance hall leads into the home's beautifully appointed living spaces. The heart of the ground floor is the spectacular open-plan kitchen/dining/family room, which opens entirely onto the south-facing garden through full-width bi-folding doors. Designed for entertaining, the kitchen features quartz worktops, bespoke cabinetry, a central island with bar seating, and premium appliances throughout.

A separate utility and boot room add practical function, while the remaining reception rooms provide luxurious versatility. The dual-aspect lounge with feature log burner and bespoke shelving offers a refined retreat, while a formal study or snug sits to the rear, ideal for quiet working or reading.

Upstairs, the first floor reveals four generously proportioned bedrooms, all finished to an exceptional standard. The principal suite is truly indulgent, featuring a custom-fitted range of wardrobes, dressing area and a gorgeous ensuite bathroom with twin basins, walk-in rainfall shower, and underfloor heating. Two further bedrooms enjoy ensuites, while a beautifully presented family bathroom serves the fourth.

The second floor continues the sense of luxury with a further spacious bedroom, benefitting from its own ensuite, perfect for guests or multi-generational living.

Outside

To the rear, the landscaped garden is a private sanctuary—elegant and thoughtfully designed for relaxation and entertaining. A large porcelain terrace flows from the main living space, with integrated lighting, seating areas, and a raised deck featuring a deluxe hot tub. Mature borders, manicured lawns, and complete privacy from neighbours create an oasis of calm.

To the front, a sweeping block-paved driveway offers parking for multiple vehicles, in addition to the detached double garage.
