DESCRIPTION

This established property presents with brick elevations and a tiled roof. It has benefitted from improvements in recent years, with works including the provision of an En-Suite shower to the main bedroom, converting the Garage into a Playroom/Office/Studio and Utility Room, although this can be easily reinstated to its former use, and a new gas combination boiler. This property featuring a SOUTH-FACING rear garden, is conveniently located for nearby amenities, and the hospital, and is on a regular bus route, and would suit first-time buyers, a young family, or investment purchaser.

DIRECTIONS

Proceed out of Bury St Edmunds along Out Westgate and at the traffic lights turn right into Petticoat Lane. Follow up the hill and continue round into Hospital Road. Continue along and at the right hand bend, take the left turning into Abbot Road. Turn left into Winthrop Road and continue round the right hand bend, where the property is located after a short distance on the left.
