Spacious Second-Floor Apartment with Storage, Convenience and Easy Access in the Heart of Stone

Set within the well-regarded Millstone Court development, this generously proportioned second-floor apartment offers 84 square metres of well-planned accommodation in a location that puts everyday convenience front and centre.

Positioned on the second floor, the apartment is accessed via wide, easy-rising stairs, making it far more approachable than many buyers expect. Once inside, the sense of space is immediate, with two genuinely generous bedrooms and a layout that works equally well as a full-time home or a secure lock-up-and-leave base for those who travel regularly.

A real bonus is the ample, part-boarded loft storage, providing practical space that's rarely found in apartment living and ideal for suitcases, seasonal items or long-term storage.

The location is deliberately central. Being adjacent to Morrisons and just a short walk from Stone High Street means shops, cafés, restaurants and everyday amenities are quite literally on the doorstep. For many buyers, this convenience is a major advantage, removing the need for a car for day-to-day living while still enjoying all that Stone has to offer.

Well suited to professionals, downsizers, or buyers looking for a low-maintenance, secure home in a prime position, this apartment offers space, storage and location in equal measure.
