All the hard work has been done to this modernised property. Nicely plastered walls, new roof, damp-proofing and decorated to a high standard throughout.

With two double bedrooms, two reception rooms and an upstairs bathroom, this is the perfect property for first-time buyers or anyone looking to downsize.

Located close to the Health Centre and town centre, all local amenities are within easy reach.

The cosy lounge has a professionally installed woodburner, and is accessed through a handy porch that keeps the weather out and the heat in. A modern, efficient, and fully serviced combi-boiler takes care of the heating and hot water.

The spacious dining room offers flexible use as a second lounge and the adjacent kitchen and utility room offer plenty of storage, as well as integrated appliances.

Upstairs, the two double bedrooms offer comfortable accommodation, and a nicely presented bathroom completes the internal accommodation.

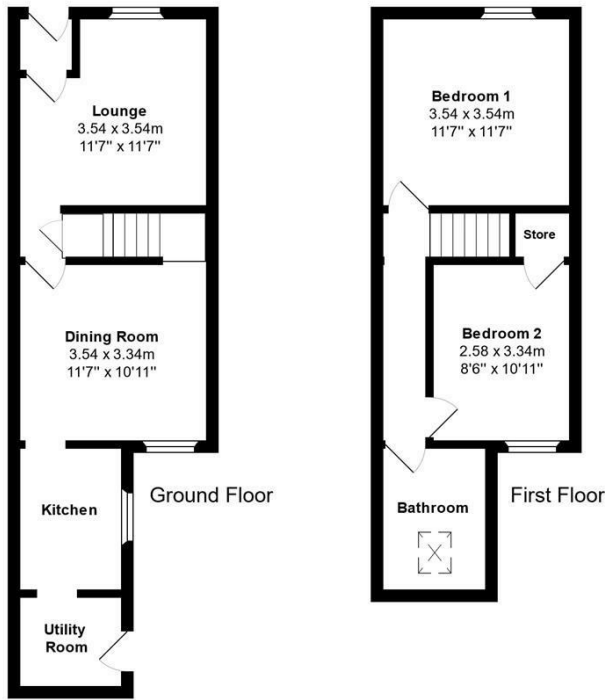

Outside, there is a small rear yard and a nice communal space that is perfect for meeting the neighbours.

In summary, a great little property that offers value for money and low running costs.
