Chevening Road, NW6

An impressive three double bedroom split level flat in a period building, flooded with natural light throughout, the property has undergone extensive refurbishment, located on a residential street in the heart of Queen's Park.

Upon entering the property on the raised ground floor, the stairs lead to two double bedrooms to the rear of the first floor, a family bathroom, and the large open plan kitchen/living room to the front of the property, incorporating the bay window. The kitchen is fully integrated with high end appliances, including an island unit, and breakfast bar.

Through to the second floor, the roof light creates an abundance of natural light, with the larger of the three bedrooms located on this level. There is an ensuite shower room, storage under the eaves, a unique feature utilising the roof space above the lower bay windows, with the outlook to the rear showcasing the residential gardens.

Chevening Road is located in the sought-after area of Queens Park, with access to the shops, cafes, restaurants and bars on Salusbury Road. Transport links include Brondesbury Park (Overground), Queen's Park (Bakerloo & Overground) and Kilburn (Jubilee).
