9 MANORSIDE WYNYARD | TS22 5SF

There is no doubt that 9 Manorside is a spectacular property built on a large scale and to a unique specification, yet it has been lovingly created and from the outset offers a warm welcome. It is bright, light and tasteful and amid all its stylish features is a place in which to feel comfortable and secure. In short, it feels like home.

Built on an almost half acre plot, the designer of this bespoke, five/six bedroom residence had plenty of space to work with to maximise the layout and achieve the best outlook from each of the large windows, while also maintaining privacy.

Access to Manorside is protected through private gates with an additional gated entrance to the property. Once inside it is an oasis of calm, a real retreat, but also a fabulous party house and entertainment space in which to host family and friends.

The focus of this is the ground floor and grounds. The back of the house is really appealing beginning with the beautiful dining kitchen and family space, going through to the exceptional bar and games which opens onto the rear garden.

The well laid out Tom Howley kitchen has attractive dove grey and white units and a proportionate island with breakfast bar with all desirable appliances close at hand. From here you are invited on to the more formal dining area and the relaxed lounge space beyond. A practical laundry and pantry lie off the kitchen.

On either side of the stunning hallway is smart home office with built-in storage and a large, professional desk, and a comfortable lounge with a woodburning stove and media unit.

No detail has been forgotten and every fixture and fitting throughout is of the highest quality, while neutral décor and immaculate care shown by the vendors means no work is required.

CONTINUED:-

There are three double bedrooms on the first floor, each with an en suite shower room while the master suite, reached across an internal 'bridge', offers exclusive and luxurious owners' accommodation with a full-size bathroom, fitted dressing room and terrace overlooking the garden. All the bathroom facilities are beautifully fitted to provide a clean and indulgent space in which to relax.

Continuing to the inspiring gym above the garage, it has access from outside so could also be used as a yoga or art studio, or a lifestyle business. The benefit of so much space is versatility, with rooms able to function as required to suit individual needs.

There are two further en suite bedrooms and gallery landing space on the second floor.

Viewed from the outside the attention to detail can be appreciated in the architectural features, clean lines and contemporary light grey windows that provide a harmonious and high-quality look.

The professionally landscaped award winning gardens are equally attractive with ground level and raised terracing, pristine block paving and low maintenance lawns and borders. There are various seating areas, pergola, raised beds with feature spot lighting. Children are also not forgotten about having a designated soft play and astroturf area. Plenty of parking, double integral garage and secure bike store conclude this beautiful home.

From whichever angle the property is viewed, it is a home to admire and be proud of.
