## Description

Second Avenue is a private drive that runs along side Pickering Community Junior School. It is a comfortable, few minute, walk into the town centre yet extends from the tree lined Middleton Road. No.22 is a detached, brick built house at the end of the drive thought to have been built in the 1950s . It faces West overlooking the school fields and Beacon Hill. The property has ample drive parking and a detached garage to its Northern side and a sizeable rear garden.

No.22 has the benefit of gas central heating as well as uPVC double glazing. It has a charming front porch with some feature stain glass windows that open into a spacious entrance hall. From here there is a sitting room with a bay window to the front of the house, a separate dining room to the rear that links to a small yet pleasant sun room overlooking the rear garden. There is a basic kitchen to the end of the hall along with a downstairs cloakroom, a utility pantry and a good sized boiler cupboard. To the first floor there are three bedrooms and a house bathroom.
