Description

Red House is located along the main road that runs through Middleton. The property fronts the street and as a consequence, the majority of the garden is to the rear where there is a quite sizeable south facing garden down mostly to lawn. The rear can also be accessed through a covered passageway to the side of the accommodation.

Inside a central entrance hall branches off to either the sitting room or living room. The latter being open plan with the kitchen where there is also an understairs cupboard and a walk in pantry. Upstairs there is a house bathroom along with three bedrooms. One of these three has an adjoining room that could be used as a dressing room, study or an occasional fourth bedroom.

Outside the garden has some patio areas but is mostly down to lawn edged with herbaceous borders. There is a brick outhouse adjoining the rear of the property and an additional garden storage area.
