## Description

Thornton le Dale is a 'picture postcard' village that lies within the North York Moors National Park at the foot of Dalby Forest. The market town of Pickering lies some 2 miles to the west and Scarborough, Whitby and York are all within half an hours drive. The popular market town of Malton is only fifteen minutes drive away where the rail network connects to York, Leeds and Manchester.

Thornton le Dale has a good range of local amenities including a baker, post office, newsagents, general store, doctors surgery and chemist. It also has a vibrant village community, pubs, cafes and restaurants. Farmanby Close is a 'loop' street lined with detached and semi bungalows built in the 1970s. No 28 is a detached bungalow with gardens to its front and rear as well as an attached garage and driveways at either end of its plot. Inside the bungalow is well presented offering an entrance hall that links a sitting room to the front of the property, a separate dining room and a fitted kitchen. There is a ground shower room as well as a study that adjoins a conservatory that over looks the rear garden. Upstairs there are two double bedrooms served by a bathroom.

The attached garage has been divided to offer a smaller garage space and an additional utility space with plumbing points available. The substantial front and back gardens are well stocked with a variety of shrubs, heritage apple trees, a well established wildlife pond and a greenhouse. The view from the south of the property extends to the Yorkshire Wolds and is particularly impressive from the master bedroom.
