Description

The Birches stands to the western periphery of the village adjoining farmland with views through the boundary trees towards Caulkley's Bank. The property was originally the Engine Shed adjacent to the Station at Hovingham and has been successfully converted to provide spacious and interesting accommodation incorporating the original archways. The dining kitchen works well and the living room opens to the gardens. The ground floor fifth bedroom is ideal for a Grandparent or teenagers with its adjacent bathroom. There are 4 bedrooms to the first floor the master bedroom having an En-suite bathroom. Interestingly the western bedroom has a french door opening onto the former platform now a terraced sitting area. Outside there are lawned gardens to the front and there is ample parking and turning to the rear; there are raised beds and lawned and gravelled areas with a line of Birch trees forming the boundary.

Hovingham lies on the B1257 Malton to Helmsley road, some eight miles from each of these market towns. The village has useful local facilities and amenities including a good village shop, a primary school, a public house, hotel, coffee shop, hairdresser and a very highly regarded bakery. There is a GP surgery in the village, daily buses to Malton and Helmsley and occasional Farmers Markets. Malton to the south east offers many more facilities including varied and interesting shops. The railway provides links to the intercity service at York. Hovingham, a pretty village lies within the Howardian Hills Area of Outstanding Natural Beauty and is surrounded by lovely countryside and well placed for many recreational pursuits.
