Description

Tucked away in a private and tranquil setting just off one of Norton's most desirable roads, Mill House is a rare opportunity to acquire an individually designed home with stunning lakeside views. Combining the charm of period-style architecture with the benefits of modern construction, this attractive property offers approximately 2,000 sq.ft of versatile accommodation and sits within beautifully landscaped gardens, complete with an attached double garage.

Internally, the home provides surprisingly spacious and flexible accommodation arranged over two floors. The ground floor comprises a welcoming entrance hall, cloakroom, a generous sitting room with open fireplace, a well equipped kitchen with a range of integrated appliances and breakfast bar which flows through to a spacious dining room. The master bedroom with en-suite and a study/fourth bedroom completes the ground floor layout. Upstairs are two further double bedrooms with built in wardrobes and a large house bathroom.

Externally, the established gardens wrap around the side and rear of the home, bordered by a picturesque stream. There is a lovely area for sitting out. A large, attached double garage and ample driveway parking complete this impressive offering.
