2 Oakview Place is an individual architecturally designed executive home with striking timber and anthracite cladding, with lower brick elevations and a wealth of glass. The property has been built to an impeccable order with a meticulous finish. The location is very sought after, lying in a traffic free position found off a long peaceful meandering country lane in an enviable location meeting the open farmland and countryside beyond.

The property extends to 3948 sq ft (including the garage) over 2 storeys with a private driveway found to the front which in turn leads to the integral double garage.

The accommodation:

The ground floor enjoys underfloor heating and fine engineered oak flooring to the majority of the rooms. Many of the rooms are double aspect and there are 3 reception rooms which flow well from one to the other. You will find a cloakroom, built in coat cupboards and an oak staircase with steel rails in the double height reception hall which allows the perfect drop of an elegant chandelier.

The Kitchen:

Very much the most distinguishing room of the property, beautifully fitted with bespoke units to eye and base level with a range of Neff ovens and integrated appliances. The central island has a matching quartz worksurface. A fully equipped utility room and boot room are found nearby.
