This is a spacious and characterful barn conversion, set in a pretty courtyard of similar period buildings in the highly regarded village of Chadlington, close to a good range of local amenities and within easy reach of the larger market town of Chipping Norton. The property has a splendid vaulted sitting room, fitted kitchen, double bedroom and shower room on the ground floor and a further bedroom suite on the first floor with mezzanine, dressing room area and en-suite bathroom. Further accommodation is provided across the courtyard where there is a garage (with parking space) and a converted room above; suitable for a variety of uses such as a playroom or hobbies room/office; good for those working from home. A feature of the property is the abundance of character displayed, consistent with the era. Gas central heating is installed. There is a pretty cottage garden to the front of the property which is south facing.
