Princes Gate Mews

South Kensington

Tucked away behind the Victoria and Albert Museum, a newly renovated double fronted mews house with four bedrooms, three bathrooms and a secure garage.

Entering the property, there is a welcoming hallway which leads to the kitchen with fully integrated appliances around a large island and space to accommodate a dining area.

On the lower ground floor, there is a L shaped reception room with glass walls to the hallway letting in plenty of natural light. Off the corridor, there is a bedroom with an en suite and a utility room. The first floor has a family bathroom and two spacious bedrooms, one with an en suite bathroom and the other is partitioned to separate the sleeping area and reception space.

On the second floor, there is the impressive principal bedroom which occupies the entire floor. There is a walk-in wardrobe, a balcony and an en suite bathroom with separate bath and shower. In addition, there is another room with a large sky light which could be used as a study.

Ideally located close to transport links of South Kensington, Knightsbridge and Gloucester Road Stations. The open green spaces of Kensington Gardens and the nearby amenities are all within easy reach.
