Description

Halls are delighted with instructions to offer one of Whitchurch's iconic properties for sale and full planning permission was recently granted to convert it into 8 apartments with associated parking spaces.

This Grade II Listed property was originally built as a congregational chapel in 1815 and was then converted into the United Reform Church. The current owner has recently obtained planning permission May 2024 to convert into 8,1 and 2 bedrooms with parking. Many of the buildings original features will be retained. The Developable area measures just under 5,200ft².

The site is a mainly level site but to the rear of the building where the graveyard is located that area has a gentle gradient away from the rear elevation.

The sale of this very well situated property provides a very rare opportunity for developers to acquire this development with all the benefits of full planning permission.

Planning Permission

Planning was granted on 20th May 2024 (24/00790/FUL) for the change of use and conversion of former United Reform Church (and adjoining Church Hall / Sunday School) - previous partial COU into B1 (e) class of use, into 8 apartments and associated external works.
