Brief Description

Pound Cottage dates back to the 17th Century and is a Grade II Listed home. The property occupies a large plot of 1/2 of an acre and has landscaped cottage style gardens. The spacious accommodation measures just over 1300ft2 and comprises entrance hall with door to cloaks and W.C. There is a charming sitting room with feature fireplace and log burning stove. There is also a large dining room, breakfast kitchen with feature AGA, three bedrooms and two bathrooms.

The property is timber framed and has a wealth of exposed timbers throughout and viewing is a must to appreciate the quality of the timber frame including many original carpenters marks. The property has under floor heating to the ground floor (except the hall & W.C), and central heating radiators to the 1st floor. The AGA in the kitchen runs the domestic hot water and cooking and there is second oil fired boiler that runs the under floor heating and radiators.

The property has a double garage to the rear with parking in front and storage sheds and summer house / studio to the rear.

The current owners did successfully apply for a garden room extension off the kitchen but that has since lapsed.
