Property Description

A fantastic investment opportunity, this substantial property was formerly known as The Waterside Hotel and has since been converted into a house of multiple occupation (HMO), making it ideal for property investors or developers. Situated in a prominent position, the building offers versatile accommodation and significant development potential.

The ground floor comprises a shared lobby area, a communal kitchen, and two bedrooms, both with en-suite facilities. A standout feature of this floor is the exceptionally large space that once served as the hotel's entertainment venue, restaurant, and dining room. This area still retains its original layout and includes guest toilet facilities. It presents an exciting opportunity for further conversion into additional accommodation, subject to necessary permissions.

To the side of the main building, there is a fully self-contained one-bedroom unit, complete with its own kitchen and bathroom, ideal for on-site management or rental as a separate dwelling.

Upstairs, the first floor houses fourteen individual bedrooms, each with private en-suite facilities. This level also includes a communal kitchen, various utility rooms, store rooms, and three fire exits for safety compliance.

Externally, there is a car park located to the rear of the property, offering convenient off-road parking for residents or guests.

In total, the property offers seventeen en-suite bedrooms, communal facilities, and superb development potential. Set in an attractive riverside location, it's a rare opportunity to acquire a ready-made investment with options to enhance or expand further.
