ACCOMMODATION

Originally constructed in the 1970s and now requiring refurbishment, Moonstones offers considerable scope for improvement, remodelling or full redevelopment (subject to the necessary consents).

The house itself offers approximately 1,321 sq. ft. of internal accommodation, with a generous 173 sq. ft. garage. The total plot extends to approximately 0.22 acres, with an additional adjacent parcel of land to the west, increasing the overall landholding to around 0.38 acres.

On the ground floor a porch leads into the reception hall, off which is the main living accommodation including a sitting room, dining room and an additional reception space, ideal as a formal dining room, snug or study.

The kitchen/breakfast room spans the rear of the property and has the potential to be transformed into a modern open-plan kitchen-living area. A rear lobby leads to a ground-floor cloakroom/WC and internal access to the integral garage which provides excellent storage or potential for conversion.
