The accommodation has a gross internal area (GIA) of over 4,500 sq.ft. (4,578) and is five bedrooms, four bathrooms and five reception rooms. Enjoying open views of the gardens, the River Avon and pasture beyond, the property stands in the middle of its plot and is approached by a gravel and block paved driveway through a gated entrance off the village road. The sweeping access passes the beautiful elm framed barns in the garden and the mainly lawned gardens beyond that are well stocked with variety of trees and high hedges providing privacy. The large barn beside the driveway is of an outstanding quality frame with flagstone floor and double doors leading out to the driveway. Beyond is the log store and bin store directly accessed off the driveway. The second smaller timber barn is of similar construction, but also serving as a mower and potting shed.
