

A photograph of a courtyard between a modern building and a historic red brick building. The modern building features a large glass facade that reflects the surrounding architecture. The brick building has multiple stories with arched windows on the lower levels and rectangular windows above. A black downspout runs vertically along the right side of the brick building. In the foreground, there are green bushes and a set of steps leading to the entrance of the modern building. A black rectangular box with the 'abbotFox' logo is overlaid on the top center of the image.
