The Property

Nestled within one of Bristol's most iconic Art Deco buildings, this luxurious high-end apartment is a true masterpiece, originally crafted by the renowned Giles Gilbert Scott. Electricity House, built in the 1930s for the South-West Electricity Board, was later requisitioned for aircraft construction during wartime. Now, this Grade II listed building, with its striking Art Deco façade and rich historical legacy, has been reimaged into a collection of exquisite living spaces, blending contemporary elegance with a deep sense of heritage. Its prime city centre location ensures both convenience and charm.

As you step inside, the grandeur of the building makes a powerful first impression. The impressive entrance foyer welcomes you, guiding you into the light-filled main atrium, where modern design seamlessly intersects with the building's historic allure.

Situated on the second floor, this apartment offers an exceptional standard of finish. The open-plan living area is bathed in natural light, thanks to expansive double-glazed windows that frame charming city views.

The sleek, fully-equipped kitchen features an array of premium Bosch appliances, an electric hob and oven with extractor fan above, a microwave, dishwasher, and fridge/freezer set against a backdrop of elegant Silestone countertops and contemporary wall and base units.

The bedroom offers a generous space with built-in wardrobe storage

The stylish bathroom, just across from the bedroom, is fully tiled, with a relaxing bath and mains-fed shower, WC, and basin.

For added comfort, the apartment boasts underfloor heating throughout, ensuring warmth and comfort in every room. Two large utility cupboards in the hallway offer ample storage and are conveniently plumbed for a washing machine.

A harmonious blend of past and present, this apartment offers a rare opportunity to live in a piece of history, with all the luxuries of modern living.

Location - City Centre

The Centre is the heart of the City with constant action on offer from the Hippodrome and Colston Hall, Bristol Shopping Quarter at Cabot's Circus to the characterful Christmas Steps, Corn Street and St Nicholas Market. Nearby Millennium Square acts as a gateway to the neighbouring harbourside with its fountains and big screen as well as world class attractions such as Brunel's SS Great Britain, We The Curious, Bristol Aquarium, the Arnolfini, Spike Island, the Watershed and the M Shed.
