AN OUTSTANDING DETACHED COTTAGE ON APPROXIMATELY TWO ACRES OF LAND

Nestled in a beautifully rural location, Bottoms Cottage is an exceptional equestrian property that offers a perfect blend of tranquility and charm. This idyllic home is set on approximately two acres of lush grazing land, complete with four stables, a tack room, and a composite-built summer house, making it an ideal retreat for equestrian enthusiasts. The property is accessed via a well-maintained road off Broadfield, leading to a gated entrance that provides ample off-road parking and a sense of privacy.

Internally, the cottage is a delightful mix of modern comfort and historical elegance. It boasts a wealth of restored original features, including stunning reclaimed windows sourced from a nearby disused church altar. The open-plan kitchen diner is perfect for entertaining, while the enviable en suite offers breath-taking views of the surrounding countryside.
