10 AYLESTONE HILL

- Grade 11 listed Georgian residence
- Easy reach of the city centre
- 5 bedrooms & 2 reception rooms
- Over 3,000 square feet
- Very large gardens
- Planning for an extension

Property Description

This impressive semi-detached period residence is conveniently located, in a conservation area close to the Churchill Gardens and Aylestone Park, about half a mile from the city centre and well placed for access to Hereford hospital, railway station and further education colleges (Sixth Form Art & Technical).

Constructed in the early 19th Century, it provides exceptionally spacious accommodation, on three-levels plus a cellar the property retains a variety of classic Georgian features - fireplaces, exposed floor boards, high ceilings, original sash windows and a lovely turning staircase.

In addition, the current owners have undertaken a schedule of works which include partly re-roofing with loft insulation, guttering, rewiring, replumbing and replastering. The property has the benefit of gas fired central heating.

Extending to over 3,000 square feet, with a classic first floor drawing room, large reception hall and also now with planning consent (application numbers 220974 and 220975-listing passed on the 25/07/2023 for a contemporary style ground floor kitchen extension).

The property stands well back from Aylestone Hill, partially screened by mature trees and has excellent parking with garages and the large part walled garden which is south facing. Properties like this are often converted into apartments and no 10 would easily lend itself to this although it is currently laid out as a lovely family home.
