LOCATION

The Roman Spa town of Buxton, famous for its mineral and spring water, sits amongst some of the most beautiful countryside in England, being on the edge of the Peak District National Park whilst being accessible to the cities of Manchester, Sheffield and Derby. The town boasts magnificent architecture including the Crescent, now a luxury spa hotel, which is a superb example of the Georgian period

built around 1780 for William Cavendish the Duke of Devonshire by John Carr of York. The annual Buxton festival attracts visitors from across the world while many people visit the town to sample its mineral and spring water, to stroll through the Victorian Pavilion Gardens, and enjoy the surrounding Peak District countryside. There is a direct train link from Buxton into Stockport and Manchester while Manchester Airport is approximately 25 miles of the town.
