GENERAL REMARKS

COMMENTS BY MARK JOHNSON FRICS @ BAKER, WYNNE & WILSON

The house occupies a quiet and peaceful rural location, with internal living space spanning over 4245 sqft across two storeys boasting expansive glazing that invites an excellent quality of natural light to flood in throughout. High-quality materials and finishes have been selected with meticulous attention to detail, all perfectly in keeping with the architectural integrity of the new building.

LOCATION & AMENITIES

Set in a picturesque rural area, nestled on the stunning border of Shropshire and Cheshire with undulating countryside views, this desirable village and woodland plot is conveniently positioned only 4.5 miles from the market town of Market Drayton, 13 miles from Stoke and 25 miles from Shrewsbury.

Loggerheads village features a local pub, a small supermarket, a Post Office, butchers, a hairdresser, and various other small businesses. The area also boasts an array of primary and secondary schools, rated Good by Ofsted and the adjacent village of Ashley has a doctor's surgery, making this the perfect setting for those looking for quiet countryside living that is commutable to several major work hubs.

Rockwoods is particularly well placed for commuting with a regular bus service and the A53 running through the village connects you to the M6 in under 10 miles. Nearby Market Drayton (the home of the original Gingerbread) and Newcastle-under-Lyme offer plenty of bars, restaurants and leisure facilities including the Market Drayton Golf Club

Nearby in the local area, there are many farm shops, garden centres, restaurants, and attractions. Hawkstone Follies, Trentham Estate and Eccleshall are just a short drive away.
