PROPERTY DESCRIPTION

Set in a quiet and peaceful hamlet in the South Cheshire countryside, close to Barbridge and the canal Rookery View development will comprise Seven energy-efficient, architecturally designed homes with a choice of garden sizes and optional land. Sharing a long private driveway, the conversions are approached via a quiet country lane, with a generous provision of parking and garaging close to the barns.

The barns are a sensitive reimagining of a series of farm buildings that will be a subtle division to create a series of beautifully light, free-flowing living spaces which will frame panoramic countryside views.

RHB construction has sought to celebrate the materiality of the

structures while introducing contemporary forms, extended sections of glazing, and subtle divisions to create a series of beautifully light, free-flowing living spaces.

Across the development the spatial configuration is restrained and sympathetic, retaining a respectful relationship with the architecturally stunning original farm building, being the natural nucleus of the plan set around an expansive traditional courtyard.

Fittings and finishes throughout will be of very high quality.
