DESCRIPTION

6 Oakley Folly was built in the 1920's of brick with part rendered elevations under a tiled roof and is approached over a gravel drive. It has been subject to an impressive and comprehensive scheme of modernisation and enlargement this year. The layout has been carefully thought through and optimised for living space and comfort, all rooms are well proportioned.

A particular feature of this property is the 250 foot rear garden that enjoys quite magnificent South Westerly views over countryside and backs onto Oakley Folly. There is a raised area at the end of the garden, ideal for a garden room/summerhouse. On a practical note there is a large driveway providing car parking/turning space and plenty of elbow room to the side.
