DESCRIPTION

The property being a double fronted, brick built with rendered elevations under a tiled roof, originally being a public house which closed in 1955, since then it has been used for residential use. Over the years having been sympathetically renovated, retaining its charm and character throughout, being rather deceptive in accommodation. The Victorian style rear garden is a big selling point, particularly generous in length, laid to lawn and South Westerly facing. There are also a range of outbuildings, a timber store and plenty of car parking space.

LOCATION AND AMENITIES

The property occupies a most pleasant location within this favourable residential locality being a matter of a minutes walking distance from Nantwich town centre. The charming historical market town and South Cheshire countryside provide a wealth of period buildings, 12th century Church, cobbled streets, independent stores, cafes, bars and restaurants, outdoor swimming pool, lake side walks and nearby canal network. With the larger business centre of Crewe is 6 miles, with its fast intercity railway network (London Euston 90 minutes, Manchester 40 minutes) and the M6 motorway (junction 16) is approximately 10 miles providing immediate access North and South of the country. .
