AGENTS REMARKS

Comment by MARK JOHNSON FRICS @ BAKER WYNNE AND WILSON

This is a three-bedroom Gosford designed two storey house by Taylor Wimpey (new April 2022) that will no doubt appeal to first-time buyers, couples, and families a like, looking for that little extra space and an individual style distinguished by the noteworthy upscaling from the standard developer's package. The large, fitted kitchen/dining room with bespoke coloured doors, opens out through double glazed French doors to the private artificial grassed rear garden/Indian stone patios, making a perfect setting for entertaining and al fresco dining. The generously sized lounge, a guest cloakroom and a walk-in store cupboard complete the modern neutrally coloured ground floor layout. The first floor continues the modern neutrally composed finishes and a practical layout that offers an ensuite master bedroom, a family bathroom, a generous double bedroom, and a further double bedroom which could easily provide a dedicated work from home space or playroom.
