DESCRIPTION

Buerton House is a distinctive detached house constructed of brick under a tiled roof. The approach, off Woore Road, is via impressive brick gate pillars over a block paved drive leading to a large car parking and turning area. The house is rich in character, history and period features. It is believed to date back in part to the late 15th Century with early 17th and 19th Century additions. It is not listed. As is typical of a period house, the room sizes are excellent and this is a home that would accommodate a large family with ease. In total the house extends to about 3,300 square feet (gross internal) with ample versatile space to be adapted to suit individual requirements. The house was modernised 35 years ago and is now ready for further improvements.

Buerton House has been a much treasured home for many years and it will be interesting to see the profile of the next custodians of this splendid one off property.

LOCATION & AMENITIES

Buerton House occupies a tranquil rural setting in an extremely scenic part of South Cheshire. It is located in Buerton, a rural hamlet which is two miles from Audlem village centre. Audlem is a most attractive country village, the centre of which is designated as a conservation area, well known for its church, which dates back to 1279. Audlem has a medical practice, chemist, primary school, play group, three public houses, café and a range of shops including a post office. The nearby market towns of Nantwich and Whitchurch are 8 and 11 miles respectively, offering a more comprehensive range of services with high street banks, super markets and out of town retail parks.

Audlem village offers a state primary school (Ofsted Good) and is in the catchment area of Brine Leas Secondary School/BL6 Sixth Form (Ofsted Good) in Nantwich. Private schools including the Newcastle Under Lyme school, Ellesmere College, The Grange at Hartford and Kings and Queens in Chester. On the recreational front, there are football, cricket and tennis clubs within the village and several golf courses locally including Hill Valley in Whitchurch, Wychwood Park beyond Crewe and Market Drayton golf Club. There is extensive walking locally along the Shropshire union canal which passes through Audlem.

Despite its rural location, Buerton House is extremely accessible being approximately 11 miles from Junction 16 of the M6 Motorway permitting daily travel to Manchester, Liverpool, the Potteries and Birmingham. For international travel, Manchester and Birmingham airports are 42 and 62 miles respectively. Travel to London is available via Crewe which is 12 miles from which there is a 90 minute service to London Euston.

DIRECTIONS

From Nantwich, take the A529 into Audlem. At the T junction by the church, turn left onto the A525. After 1.9 miles, the entrance to Buerton House will be seen on the left hand side, immediately before the entrance to The Long Barn.
