**DESCRIPTION**

Limehurst, constructed of mellow brick under a slate roof is believed to date back to 1795 and is not listed. The approach, off Woore Road, is through electrically operated gates over a stone set parking area in front of the garage leading to a further blocked paved parking area with a turning circle. The owners of Limehurst have over the last 15 years, with considerable capital expenditure, dedicated themselves to the mission of helping this property reach its full potential. They have drawn together a team of top professionals to produce the exceptional home that is has become, with an unstinting commitment to quality, meticulous attention to detail and thoughtful intelligent design in every regard. The character and presence of the house remains central, yet there has been many tasteful and high quality modifications that deliver for modern family life. A prime example of this is the superb bespoke kitchen/breakfast/sitting room by Meesons with Miele appliances. The end result is a visually stunning area with lantern roof light and French windows to the South facing garden.

The magnificent gardens have matured over the years and form a particular feature of Limehurst.

#### LOCATION & AMENITIES

Limehurst occupies a prominent position 500 yards from Audlem village centre. Audlem was mentioned in the Domesday book as Aldelime, and Edward 1st granted a market charter in 1295. Audlem is on the Shropshire Union canal, which has a run of 15 locks, designed by Thomas Telford to raise the canal 93 feet from the Cheshire plain to the Shropshire plain. The River Weaver passes West of the village. The sought after, award winning, village of Audlem caters for daily needs with local co-operative store, post office, newsagents, dry cleaners, butchers, flower shop, restaurant, café, three public houses and a medical centre. Nantwich (7 miles) offers a more comprehensive range of services with High Street retailers, banks, restaurants, leisure facilities and supermarkets. On the Educational front, there is a primary school in Audlem (Ofsted Good) and the house lies in the catchment area for Brine Leas High School/BL6 Sixth Form (Ofsted Good). Private schooling in the area includes Newcastle High School, The Grange at Hartford, The King's and Queen's in Chester and Ellesmere College.

There are numerous sports facilities in the area including tennis, bowling, cricket, football, running and cycling clubs in Audlem. There are two 18 hole golf courses at nearby Whitchurch.
