This well-presented four-bedroom detached property offers modern family living across two floors, with flexible reception areas, a modern kitchen, and a spacious garden with added storage. Ideally located, the home also benefits from off-road parking and a garage conversion providing valuable additional space

DOWNSTAIRS

You're welcomed into the home through a stylish front door featuring frosted sidelights and a frosted glass panel, leading into a bright entrance hall with access to understairs storage.

The main living room is generously proportioned and features a large bay window that fills the space with natural light. To the rear of the property, the open-plan kitchen/dining room is well equipped with matching wall and base units under a sleek grey worktop, a 1½ bowl sink, and integrated appliances including a dishwasher, fridge freezer, four-ring gas hob, and oven. A window and patio doors overlook and open onto the rear garden.

Adjoining the kitchen is a practical utility room fitted with coordinating cabinetry, a sink, plumbing for a washer/dryer, and housing for the boiler. The utility also provides access to the cloakroom.

The converted garage has been transformed into a versatile second reception room or boot room, adding valuable living or storage space.

Each room on the ground floor is finished with wood-effect laminate flooring, light fittings, double-glazed windows, and radiators.
