GENERAL REMARKS

Comment by Mark Johnson FRICS @ Baker Wynne and Wilson

No 30 Hornby Drive stands in a delightful and much coveted cul de sac together with other similar character detached properties being arguably one of Nantwich's prime residential locations off Mount Drive, a short stroll from the town centre.

This substantial detached bungalow, was built in the early 1960's by Len Cork of brick under a tiled roof. It is fully accepted that most buyers will want to modernise, and some may look to extend into the vast roof void, subject to planning permission.

In our opinion, any improvement works would be extremely worthwhile due to its enviable location and the quality properties nearby properties.
