DESCRIPTION

This attractive detached bungalow stands nicely back from the road, constructed of brick under a tiled roof and approached over a tarmacadam drive to a car parking and turning area. The bungalow, built in the early 1980's, has an appealing feel and a lovely atmosphere. In recent years there has been some good notable modernisation whilst there is scope to enlarge, subject to planning permission. The bungalow extends to about 1,350 square feet (gross internal) plus the garage.

This is a rare opportunity for those seeking to downsize into a large and impressive detached true bungalow in a central village location.
