GENERAL REMARKS

Comment by Mark Johnson FRICS @ Baker Wynne and Wilson

The Hawthorns is located on Welsh Row only a few hundred metres from Nantwich town centre, adjacent to historic residential properties. The accommodation provides office accommodation over three expansive floors. The semi-detached building is of early Georgian period and is of solid brick construction under a pitched tiled roof with a parapet. There are wooden sash windows to the front elevation and mainly wooden casement windows to the rear. A brick flat roof and leaded entrance porch has been added. Internally the accommodation is set out at ground, first and second floor levels and provides extensive rooms off a central hallway and landings.

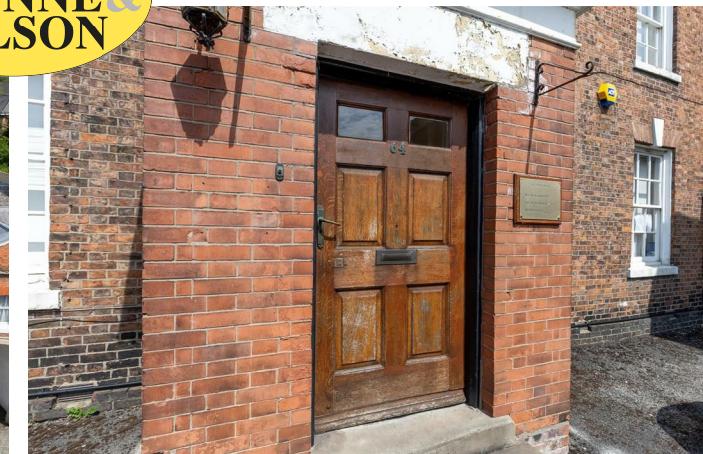

There is no land to the rear, but the premises are well set back off Welsh Row with a tarmacadam courtyard which we estimate can accommodate up to 4-5 cars and is fronted by a brick wall onto Welsh Row with entrance gates and brick pillars.
