Welcome to THE HAWTHORNS

Set within Norfolk's picturesque countryside just off the A47, The Hawthorns is an exclusive collection of three and four bedroom detached homes. These thoughtfully designed properties combine contemporary architecture with the timeless character of traditional materials, creating homes which feel both modern and rooted in their rural surroundings.

Inside, each home features spacious open-plan layouts, high-specification finishes, and eco-conscious touches such as EV charging points and air source heat pumps. These features not only elevate daily living but also help future-proof each home for generations to come.

The Hawthorns offers a lifestyle which is calm, connected, and considered. Whether it's the generous gardens, far-reaching views or the strong sense of community, this is a place where modern life slows down — without compromising on comfort or convenience.

Village life in Norfolk

Sit between Swaffham and Dereham, just off the A47 main route between King’s Lynn and Norwich, Necton offers the best of both traditional, rural living in the heart of the Brecklands along with easy access to every point of the county compass. A commuter’s idyllic hideaway definitely, but with Thetford Forest just 30 minutes away, there’s plenty of adventuring to be had for those who love to explore the great outdoors – load up the bikes to enjoy the cool of the forest trails on a hot summer’s day, challenge yourselves on the high wires at Go Ape, or simply unpack a picnic under the towering trees and reconnect with nature.

Historically, Necton appears in the Domesday Book as Nechetuna, meaning ‘town or settlement by a neck of land’ as it sits at the foot of a ridge, and Grade I listed All Saints’ church has a vast hammer beam and arch braced roof with carved angels which is a fabulous place to sit and contemplate.

Follow Tuns Road a little further and turn into Mill Street which once was a centre of industry when a five-storey windmill ground flour from crops grown in surrounding farmland. Enjoy a glass and a home cooked meal at the local pub, the appropriately named The Windmill Inn. Looking to the future, just outside Necton a new sub-station will harness energy from off-shore wind farms on the east coast, once again putting this thriving village community on the map.
