EPC Environmental Impact Rating: E

Entrance Porch

Enter through the front door into the entrance porch comprised of tiled flooring, a wall mounted radiator, fitted light to the ceiling, windows to the front aspect, side aspect and the dining room and a door leading to the hallway.

Hallway

This hallway is composed of wood effect flooring, a pendant light to the ceiling, a wall mounted radiator, under-stairs storage cupboard, carpeted stairs to the first floor and doors to the living room, kitchen, downstairs w/c and dining room.

Living Room

The L-shaped living room is composed of carpeted flooring, floor to ceiling windows to the front and rear aspects, a door to the enclosed rear garden, pendant lights to the ceiling, a feature fireplace, three wall mounted radiators and space for a sofa set and other living room furniture.

Cloakroom

The downstairs cloakroom is comprised of a frosted window, wood effect flooring, a pendant light to the ceiling, a hand wash basin with hot and cold taps and a low level w/c.

Kitchen

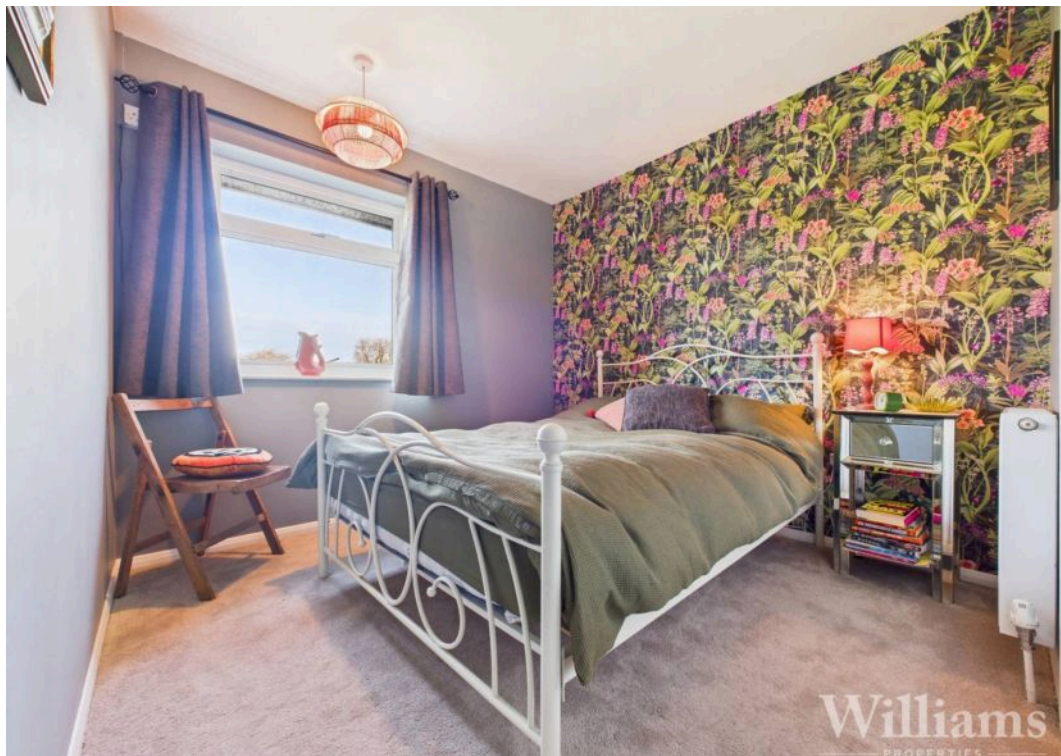

The kitchen features wood effect flooring, a window to the rear aspect, spotlights to the ceiling, underfloor heating, a range of wall and base mounted units including an integrated dishwasher, one-and-a-half sink with a mixer tap, cupboard downlighting, oven, electric stove and extractor. A skylight window to the ceiling and open plan access to the utility room and the conservatory.

Utility Room

The utility room is composed of a wall mounted radiator, fitted storage cupboards and a worktop with space and plumbing for a washing machine and tumble dryer.

Conservatory
