

Location

Located in a most popular residential location, this delightful period semi-detached property benefits from being set on a mature leafy road within close proximity to the quaint village of Grappenhall which offers a couple of public houses and cobbled streets and lovely church. For shopping needs the villages of Lymm, Thelwall and Stockton Heath are nearby and offer a selection of associated amenities including retail outlets, restaurants and banks and bars. For more comprehensive shopping needs the larger commercial town of Warrington is also readily accessible together with access to the M6/M56 motorway networks and subsequently to Manchester and Liverpool airports. Further to the area there are a range of local schools catering for all ages with highly regarded reputations.

Accommodation

Situated within a sought after area of period properties, this attractive house enjoys a larger design enjoying generous accommodation. The house has undergone significant improvements and extension during the ownership of our clients to include but not limited to an open plan, extended dining kitchen and family room opening onto the garden.

The accommodation is presented traditionally over two storeys with an additional converted loft space and is arranged around a central reception hallway with 'Amtico' flooring, period features including ceiling corbels and a picture rail. Beyond, there is a useful under stairs storage room with 'Quarry' tiled flooring, spacious lounge with bay window, living flame coal effect gas fire and period features, dining kitchen complete with 'shaker' style units, integrated appliances and centre island, family room which seamlessly flows from the dining kitchen featuring 'Velux' windows and a feature fireplace. The first floor includes the landing which provides access to the converted loft space via a 'drop-down' ladder, principal bedroom with a cast iron fireplace and bay window, second bedroom with fitted furniture and an en-suite, third bedroom measuring over 10 feet (over 3 metres) in width, re-fitted shower room featuring an oversized shower, wash hand basin set into a vanity unit and a low level WC. As mentioned earlier, the loft space was converted some years ago resulting in a useable space for a variety of uses. Externally, the rear garden enjoys a southerly aspect with a low maintenance theme whilst to the front there is a similar theme with well stocked borders. Adjacent to the garden, there is a compressed concrete driveway leading from the front, along the side to the rear upon where the garage is located which features a useful utility area to the back.
