

Appleton

Total area: approx. 95.0 sq. metres (1022.1 sq. feet)

Location

Appleton is a leafy suburb neighbouring Stockton Heath which offers a range of associated amenities including retail outlets, restaurants, bars and borders onto Walton Hall Gardens. For more comprehensive shopping needs the larger commercial town of Warrington is also readily accessible together with access to the M6/M56 motorway networks and subsequently to Manchester and Liverpool Airports.

Appleton is home to Fox Covert Cemetery, known locally as 'Hillcliffe' which offers an excellent vantage point across Warrington. This makes it a hot-spot for a range of occasions including New Year's Eve and Bonfire Night. The area was first listed in the Domesday Survey of 1086 under the name 'Epeltune' which translates to 'the tun where the apples grew.'

Home to a golf club and leisure centre Appleton is ideally located for a range of great amenities. There are also four highly regarded schools in the area, making it a prime location for families.
