

Appleton

Location

Arley, Appleton Thorn and Appleton are sought after rural districts to the East of Warrington in between Knutsford, Lymm, and Stockton Heath. The Arley Estate is a beautiful large privately owned and very picturesque country estate of several thousand acres with a stunning main house and there are a number of bridle ways and footpaths. The Estate has been improved dramatically over the years and now also has a café/restaurant at the Hall. It is situated along the Arley straight.

Neighbouring 'Burley Heyes Cottage', Appleton Thorn is home to charming buildings which span back centuries and are still put to great use today. The village hall hosts a range of community events from beer festivals and BBQs to the annual midsummer's "Bawming the Thorn." There's also a local church, pub and Warrington Golf Club is fairly close by. For cyclists and walkers, the village boasts a range of scenic routes. Some of Warrington's most highly-regarded schools are on the doorstep and the nearby M6 and M56 provide easy access to local towns and cities.
