Situated on a substantial mature plot, Hollybush Glen offers over 3000sq ft of accommodation, including a double garage and presents a rare opportunity for a new owner to improve and/or extend subject to the necessary planning consents. The current accommodation comprises a large entrance hall leading to the principal reception rooms which include a family room to the front aspect with feature fireplace and a study (which could be used as a ground floor bedroom) with access to its own shower room. The capacious sitting room measuring over 30ft in length has doors to the rear patio and garden beyond and is conveniently adjacent to the kitchen/breakfast room which is beautifully light on account of windows on both aspects, with a door to outside. Stairs lead down from the sitting room to a similarly vast games room with doors to the garden. On the first floor are three double bedrooms; the principal is accessed via stairs off the games room and has ample built in wardrobes and ensuite bathroom with separate shower. Two further double bedrooms and family bathroom are accessed via stairs off the main entrance hall. Outside the gardens wrap the property on all sides with an orchard of fruit trees to the front and a large expanse of lawn bordered by mature trees and shrubs. There is a large patio to the rear offering ample space to entertain. The property is approached by a long driveway leading to ample parking and double garage.
