Let us have a look around what this home has to offer.

Super large style, three double bedroom, upper cottage flat, situated within walking distance to the main village of Denny. On offer you will find a fresh, bright, and spacious home, which is offered to the market in immaculate condition. There have been improvements carried out, such as a new kitchen, which will come complete with a "Range Cooker," "Belfast" sink and all integrated appliances will be included. The bathroom has also re-modelled to offer a large shower room, all finished to a traditional theme. The loft has been fully floored, and walls formed, however this does not comply but is an amazing storage area. There are extensive rear gardens which will provide, parking for several cars, "Summer House," additional large shed and "pergola."

On a more practical basis the heating is supplied by a gas fired boiler. The windows are wooden double-glazed units. The kitchen was replaced in 2019, by "Howdens". The loft has been floored and walls formed, however please note that this area, does not comply with building regulations to form a further bedroom and should you wish to do so, all building and fire regulations must be met by Falkirk Council. Externally there is parking for several cars. There is a large garden room and there is a smaller garden shed, both of which will form part of the sale.
