Puddleduck Cottage, East End Road, Stonham Aspal, IP14 6AS.

Tucked away in a wonderfully peaceful position just a mile or so from the heart of Stonham Aspal, Puddleduck Cottage offers the kind of lifestyle many aspire to: open countryside in every direction, complete privacy, and a home that has been thoughtfully modernised and extended to create generous, light-filled living spaces.

Puddleduck Cottage is the kind of home people dream of escaping to. Set within nearly an acre of beautifully tended gardens and surrounded by uninterrupted countryside, it offers complete peace and privacy while still being just moments from the village. Morning coffee on the terrace with only birdsong for company, long walks straight from the gate, and the glow of sunset across open fields — this is a home that delivers a slower, more considered way of living, wrapped in comfort and modern design. Set within approximately 0.8 of an acre, the gardens wrap around the property and provide sweeping lawns, established planting, and a choice of seating areas from which to enjoy the surrounding landscape. A collection of useful outbuildings further enhances the opportunities for hobbies, storage or potential future adaptation.
