PROPERTY SUMMARY

This delightful end of terrace townhouse boasts four bedrooms, offering ample space for a growing family or those who enjoy having guests over.

Built in 2015, this property spans an impressive 1,421 square feet, providing a comfortable and spacious living environment. The modern design of this stunning townhouse is sure to captivate your heart from the moment you step inside.

One of the standout features of this property is the en suite bathroom attached to the main bedroom, offering a touch of luxury and convenience. Additionally, the presence of solar panels not only helps reduce your carbon footprint but also lowers your energy bills, making this home both eco friendly and cost effective. There is also an impressive EPC rating of B. To add more, the property has a fully boarded loft with ample storage space. Built in 2015 with NHBC warranty.

Parking will never be an issue with the allocated parking space, ensuring you always have a convenient place to park your vehicle. There is added benefit of an electric charging point next to the allocated parking, catering to environmentally conscious individuals or those with electric vehicles. The property's location in Hunting Place provides a peaceful and serene environment, perfect for those looking to escape the hustle and bustle of city life.
