St. Marks Crescent, Ellesmere Port

DESCRIPTION

We are pleased to offer to the market this two bedroom detached bungalow situated at the head of this established cul-de-sac.

This potential home offers the new owner the opportunity to create their perfect new home. The property does require modernisation and general improvement but could be a rewarding project.

The property is situated on a well respected and established development and offers good road links to surrounding centres of commerce including Cheshire Oaks, Chester, Liverpool and beyond.

Bungalows rarely come to the market and even rarer is one that needs some T.L.C. The great project should not be overlooked and would suggest an early viewing.
