Woodacre Road, Ellesmere Port

DESCRIPTION

Calling all serious buyers who are looking for a larger than anticipated family home in a good location, close to local amenities and transport network including rail, road and public transport.

This spacious home enjoys a level of privacy not normally associated with a more modern home. The property was originally designed over three floors and as a result the Master Suite is on the top floor and incorporates the bedroom, study area, dressing area and en-suite. The rest of this home is well proportioned and would strongly advise that particular note should be made to the room dimensions and photos.

Don't delay as this home has great potential for the growing or dependent family.
