Asking Price £220,000

A much improved, three bedroom, semi-detached home is now available for the discerning buyer.

The current vendors have recently installed a modern, contemporary bathroom and new boiler, not to mention the programme of redecoration as well as the majority of floor coverings having been replaced.

This property does offer ready to move into accommodation and we would recommend an early inspection.

Being situated close to the centre of Whitby village, the new owners can take advantage of a range of local shops and Morrisons supermarket. In addition, the commuter links offered include public transport and extensive road networks including the M53 and M56. All of which provide access to surrounding centres of commerce.
