95 Red Lion Lane, Little Sutton, CH66 1HQ

Asking Price £330,000

Ladies and gentlemen, we are pleased to bring to the market this executive-style, spacious family home, that enjoys a good-sized and private corner plot. We highlight that, while the property is in good condition, there are elements that require upgrading and general modernisation and therefore the property has been realistically priced to reflect this. There is considerable scope for extension, subject to the necessary permission being obtained. This property is being offered with no ongoing chain.

This true family home has had a lift installed some years ago that would accommodate an elderly person or disabled relative. However, the vendor will have the lift removed at their expense, if not required.

Red Lion Lane is a respected road within Little Sutton and offers a varied selection of property designs. The location means that Little Sutton is readily accessible offering a selection of shops and other services. The road and rail networks plus a regular bus service provide easy commuter links to surrounding centres of commerce and beyond.

Outside

The outside of the property is a real strong point. With its generous plot, there is scope for additional development of this home - subject to the required permission being obtained.

The front is bound by mature hedges with access to the coloured tarmac driveway. The driveway separates the front lawn which in turn creates two generous lawned areas with well-stocked borders.

To the rear, the garden area has been designed to create a brick finish second driveway (accessed via side timber gates) and patio. The second driveway would be ideal for those with a boat, caravan or motorhome. To the side is a feature rockery with a slate surround. The remainder of the garden has been converted to a vegetable garden but could be converted back to a lawned area

An extended garage (21'1" x 7'11") with power and light offers the possibility of creating a utility area.
